

## LE COL/Arcadian/Velopace Series 2020

I am pleased to announce that we have an additional Road round in the Series this year. On 31<sup>st</sup> May, Andrew Buurman will promote the Blackmore Road Race in Essex on behalf of Rapha CC - details on riderhq.

I am also pleased to announce that all Road rounds of the Series this year will be accompanied by motorcycle marshals from Kent Event Marshals. The entry fees in these events will be slightly higher to help offset the cost, but this will give our races better presence on the road, and make them safer to ride in.
